GIRLS! MOISTEN A CLOTH AND DRAW IT THROUGH HAIR

IT BECOMES BEAUTIFULLY SOFT, WAVY, ABUNDANT AND GLOSSY AT ONCE.

SAVE YOUR HAIR! ALL DANDRUFF GOES AND HAIR STOPS COMING OUT.

Surely try a "Danderine Hair Cleanser" if you wish to immediately cleanse the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair. Danderine is to the hair what fresh shows of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, roustous hair, and lots of it, if you will just get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

Save your hair! Keep it looking charming and beautiful. You will say this was the best 25 cents you ever spent.

Know Your Dealer as Well as the Piano

It makes a lot of difference what kind of a piano you buy. It also makes a lot of difference who you buy it of, because you buy more than just a piano. You buy future pleasure, satisfaction, service, that you do not buy in the ordinary articles of merchandise.

The C. A. House Company has been a landmark in the music business for years. In music circles the name of the C. A. House Company is thought of first, and it is thought of best. An unbroken record for honest dealing, for selling the highest grade instruments, for being really helpful to those who want to buy a piano, these are the things that guarantee the buying public that they will get value received for every dollar spent with this reliable firm.

Two items we want to mention specially today. One is a mahogany case second hand piano that we want to move to get space for new shipments. The piano is in good condition, is a well known make and we will make a price of \$125.00 if sold this week. Our second used piano special is an ebony case instrument largely advertised, and will give long service to the user. The price is \$140.00.

Fine For Your Little Victor

The scarcity of the larger size Victrolas has caused the company to build small cabinets for the two smaller sized Victrolas. They are solid oak, nicely finished, and will hold either the large or the small size records. On account of the approach of the holiday season, we advise early buying of these cabinets.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadowville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Theodore's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

Fairmont Normal Lecture Course

For a number of years the people of Fairmont have given loyal support to the largest, most expensive and highest class series of entertainments of any city in the State. This is a unique distinction, not only in this state, but is carries the fact to cities throughout the country that Fairmont is really a city of cultured refinement. The management of the Lecture Course will bring to Fairmont this year a series of entertainments that are in many ways superior to any of the Lecture Course entertainments of the past. The Lecture Course management also wish to give the people who are most appreciative a chance to take advantage of the sale of season tickets. Due to the limited seating capacity of the new Normal Auditorium, the season ticket sale will necessarily be limited to three hundred tickets. The price for the ticket for the entire nine numbers, will be \$2.50, or no more than you pay to hear a single one of these entertainments in a larger city.

On Friday and Saturday of this week, members of the student body will make an effort to call on all patrons of the Lecture Course in the past, and give them an opportunity to purchase tickets. Any patron or other appreciating person who will not be able to see the ticket sellers on those days, yet wish to secure tickets, may at any time call Thora Robinson, 513 J, Catherine Troxell, 1207, E. L. Lively, 563 R, or the Normal School, 1018. The course consists of the following numbers:

Dr. Lincoln Wirt, F. R. G. S., who has traveled extensively, and who has been an eye witness to zeppelin air raids, ship destruction and trench warfare in all its horrors.

Leonid Samaloff, the noted Russian operatic tenor, and assisting artists. Vivian Holt, soprano, Lillian Scheinkman, violinist and Lillian Rosedale, composer-pianist.

Crawford Adams Company, unexcelled for pleasant and artistic entertainment, consisting of violinist, pianist and humorist.

Honorable Francis Neilson, Member of British Parliament, 1910-1915; for fifteen years leader of the advanced liberals of Great Britain; author of The Crucible and other noted works. His lectures are masterpieces of oratory and thought.

James Goddard and assisting artists. Mr. Goddard, bass-baritone of the Chicago Grand Opera Company, with Miss Ruth Ray, violinist, and Mr. Robert Yale Smith, pianist, give an entertainment worth more than the cost of the season ticket.

Mrs. Juliet V. Strauss, the Country Contributor of the Ladies' Home Journal, under the title, "A Plain Country Woman."
